RALLIS
AMPLUS *Active*TM
A TATA PRODUCT

Organic plant growth promoter

AMPLUS ActiveTM is an organic solution composed of L- amino acids, proteins, potassium and carbon obtained from natural sources by organic fermentation process free of high temperatures and harsh industrial chemicals which result in a potent anti-stress bio-stimulant for excellent plant growth, flowering and fruiting performance

AMPLUS ActiveTM be used with AmplusTM as food source for microbes, at 1:1 ratio by mixing required quantity of water for better result. AMPLUS ActiveTM helps for multiplication of microbes to many fold. Mixed solution needs to be applied in the soil at stem base to ensure liquid reach at root system

FOR ALL AGRICULTURAL AND HORTICULTURAL CROPS

Direction for use

1litre of AMPLUS ActiveTM to be mixed with 1litre of Amplus in 1000-1200 litre of water & drench in root zone of crops grown in 1ha area or can be applied through drip irrigation.

STORAGE: Store in cool, dry place away from direct sunlight & heat

PRECAUTIONS:

In case of ingestion, drink water. If abdominal discomfort occurs, please consult your physician. In case of contact with skin, wash with soap and water. In case of contact with eyes, flush for 30 seconds with water.

In case of spill or leak, flush the area with water and consult local regulations concerning the disposal of soil inoculants.

Recommended protective equipment: Gloves

Note: The above information is based on research and field observations. Information on product performance & suggestions contained above may vary in local conditions for which the company should not be held liable for any direct and/or indirect damage. In case of doubt, it is recommended to carry out a small scale trial to test the product in local growing conditions during different seasons. Amplus ActiveTM is a green technology bio-product guaranteed for the shelf life period given in the container, to be free of manufacture defects, production and quality assurance. If this product is found to be defective for any reason as cited above please return to the distributor for replacement. The guarantee of the product quality is valid only when stored as per directives on specified in the label.
